

Daring Female:

A gutsy, passionate, and willful woman who is not afraid to take risks, **Chase her dreams, explore new experiences, EXPRESS HER CREATIVITY, push her own boundaries, and SPEAK**

HER MIND. (Oh, and she doesn't mind embarrassing herself once in a while and having a good laugh about it!)

Daring Circles

A Daring Circle is a group of Daring Females who get together – online or offline – share their dares, encourage each other, inspire each other, motivate each other to be the most daring and gutsy and passionate and creative Daring Females they can possibly be.

A Daring Female is strong and gutsy, but no Daring Female can achieve her goals and realize her dreams without the support and encouragement of others. Your Daring Circle is your very special support group, energy infuser, and negativity eraser.

Make it your own. Keep it strong. Grow it and grow with it. Inspire others to find their inner Daring Female.

Daring Female Manifesto

To get the most out of your life
you have to **DARE** yourself to do it!
